Dear Parent,

Re: Seasonal Flu Vaccination update

The Supreme Council for Health (SCH) will be returning to the school at a later date to carry out the vaccinations for seasonal flu. In line with the SCH policy, all children whose vaccination forms have been signed will be vaccinated, we will not expect parents to be present. Parents may be present, but we will not be able to give a definite timetable for the day.

The programme will go ahead based on the forms that have already been returned. If you now wish to have your child included in the programme, please download a new form from the website:
